

USAID

NGA POPULLI AMERIKAN
OD AMERIČKOG NARODA

USAID Transformational Leadership Program – Citizens Corps aims to leave behind a cadre of transformational leaders coordinated and working towards as agents of positive change across the public, private and civil society sectors in our country. The activity will advance the understanding, practice and development of leadership and increase civic participation for the benefit and the development of the society through volunteerism. To achieve this, 185 TLP Master Graduates who are scholarship recipients, will be encouraged to complete a minimum of 400 hours of volunteer work in appropriate organizations being, public, private or non-governmental organization in Kosovo.
